Licensed Private Applicators must obtain 15 hours of CEU's every five years to renew/recertify their license. These hours must be from 2 hours of Laws and Regulations, 2 hours of Integrated Pest Management (IPM), and any mix of these and General hours to equal the required 15 hours of CEU's. Licensed commercial and non-commercial applicators are required to recertify every year by obtaining five continuing education credits; with one credit each from two of the following categories: laws and regulations, integrated pest management or drift minimization.

*Individuals with disabilities requiring an auxiliary aid or special accommodations in order to participate in this program are asked to contact **Justin Hale at (817)556-6370** to determine how reasonable accommodations may be met by **December 5th**.*

Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating
